

Whole Business Circle

What would it take to make your business more profitable?

It could be that you are focusing on one or two pieces of the pie and ignoring others. For a quick self assessment put a number 1 through 8 in each of the spaces on the pie chart. 1- strongest area 8- weakest area

Notice where your strengths are and what areas you need to develop. Look at ways you can use your strengths to help build the weaker areas. For a full explanation read Chapter 2 in "Clear Your Focus Grow Your Business." Available on my website. kaya@awakeningbusiness.com
